The Osage Nation was awarded \$10,000 from TTP Safety Funds. The funds will be utilized to update our current Strategic Transportation Safety Plan which was last updated in 2019. The update will incorporate the action plan components established for the Safe Streets and Roads for All Program to ensure eligibility for other programs. INCOG is currently in the process of updating their Local Road Safety Action Plan which includes Osage County. Upon completion of their update , we will

explore the possibility of applying for a SS4A Comprehensive Safety Action Plan grant to incorporate elements and add more details for Osage County.
