

OSAGE NATION WILDLIFE CONSERVATION REGULATIONS

Rules and Regulations Promulgated by

The Osage Nation Department of Natural Resources

SECTION 1.

FINDINGS AND GENERAL PROVISIONS

A. FINDINGS

1. The Osage Nation Congress, pursuant to the enabling act of ONCA 17-35 enacted on April 6, 2017, vested in the Department of Natural Resources all power and authority to draft, promulgate, and implement regulations governing the development, regulation, use, and preservation of the Osage Nation's Natural Resources.
2. The future of wildlife conservation and regulation is of critical importance to the Osage Nation and necessary for the continued and efficient development of the Osage Nation's natural resources. The Osage Nation Department of Natural Resources takes very seriously its responsibility to protect the natural environment, which depends upon the conservation and preservation of wildlife. The Osage Nation through the Osage Nation Department of

Natural Resources is fully committed to preserving and regulating wildlife for future generations and to ensure and enhance today's recreational opportunities and economic development opportunities within the reservation.

3. The Osage Nation finds that hunting and fishing regulations are a necessary component of wildlife conservation; and recognizes that wildlife conservation is vital to the health and welfare of the Osage Reservation's residents and to the vitality of the Osage Reservation economy.
4. The Osage Nation recognizes that certain lands have been either owned by or held in trust for the Osage Nation since the creation of the Osage Reservation and continuing to the present time.
5. All hunting, fishing, trapping and otherwise taking or transporting any wildlife located within the exterior boundary of the Osage Nation Reservation shall be completed in conformity with these regulations and federal law.

2. These Regulations shall not apply to person hunting or fishing on private lands or provide landowners hunting and fishing on their private property within the Osage Nation Reservation.

D. GENERAL POLICIES

1. Existing uses, established regulations and policies concerning wildlife, and relative priorities concerning wildlife to bodies of water are to be protected and preserved.

2. These hunting regulations will be guided by the overall biological studies of the DNR and the expected long-term conservation efforts, and the cumulative impacts of existing populations of wildlife within the Osage Nation Reservation.

3. DNR will plan and develop a Wildlife Conservation Plan determining the maximum number of permits to be issued each calendar year.

4. DNR will develop Management Plans for the conservation of individual fish and wildlife.
5. DNR will issue Regulation Guides for hunting and fishing annually.
6. All land, water, or other resource strategies, decisions, or regulations shall consider the potential effect on all of the Nation's natural resources.
7. All land, water, or other resource strategies, decisions, or regulations shall consider the potential effect on all Reservation natural resources.
8. All wildlife conservation decisions are subject to periodic consideration and annual review for their effect on resources and values of the Nation.

E. DUTIES OF THE DEPARTMENT OF NATURAL RESOURCES

The Osage Nation has declared the DNR as the primary enforcement and management agency responsible for controlling the Nation's natural resources, including:

1. Overseeing the development, regulation, use, and preservation of wildlife;
2. Administer and issue these Wildlife Conservation Regulations.
3. Issue annual Regulation Guides.
4. Develop Management Plans for the conservation of individual fish and wildlife.
5. Approving or disapproving Permits and Licenses to engage in hunting and fishing activities on Osage Nation properties;
6. Conducting administrative hearings regarding Applications for Permits or Licenses and disputes regarding denial of applications;
7. Adopting such additional rules, regulations, Permit and License forms, and additional materials as necessary to interpret and execute its authority;
8. Advising the Nation on all aspects of these Regulations and wildlife within the Osage Nation Reservation; and
9. Organizing and operating its offices in order to discharge its duties and responsibilities effectively.

F. OSAGE NATION GAME WARDEN

[RESERVED]

G. CONSENT TO JURISDICTION

For big game hunting, an accompanying hunter must be within arm's length of the hunter or close enough to take immediate control of the firearm or bow of the apprentice. For small game hunting, the accompanying hunter must be within sight of and able to communicate with the apprentice in a normal voice without aid.

SECTION 4.

LICENSE APPLICATIONS

1. *Application Form.* Applications developed under the Wildlife Conservation Code shall be made on forms developed by DNR and available at the DNR offices and other authorized places as identified by DNR.
2. *Submission of Application.* Applications shall be delivered to DNR via hand-delivery during normal business hours, via U.S. Mail at the address listed on the form, or online if applicable.
3. *Application Fee.* An Application Fee as identified on the Application shall accompany each License. Application fees shall be periodically determined by DNR, used in part to defray the cost of reviewing the Application, and may be waived by DNR, in its sole discretion.

SECTION 5.

PERMITTING & FIELD TAGS

A. PERMIT PROCESS

1. *Permits.* Permits are issued in accordance with the Wildlife Conservation Plan of the DNR.
2. *Permit Fee.* The Permit Fee as identified on the schedule of the Application shall be paid upon return of the permit to the applicant. Permit fees shall be periodically determined by DNR, used in part to defray the cost of reviewing permits, and may be waived by DNR, in its sole discretion.

3. *Restrictions and Limitations.* DNR may prescribe restrictions and limitations for each permit issued in accordance with the Wildlife Conservation Plan.

B. PERMIT REQUIRED

1. *Hunting.* All persons hunting on Property of the Osage Nation are required to obtain a permit from the DNR prior to harvesting any wildlife as defined by these regulations. Each person is bound to the restrictions and limitations of the permit issued.

2. *Fishing.* All persons fishing in waters within the Osage Nation Reservation are required to obtain a fishing permit from the DNR prior to taking any fish from any body of water. Each person is bound to the restrictions and limitations of the permit issued.

3. *Scientific Collector.* All persons collecting wildlife or other biological data on Property of the Osage Nation are required to obtain a permit from the DNR prior to collecting any data as defined by these regulations. Each person is bound to the restrictions and limitations of the permit issued.

4. *Other Uses.* All persons pursuant of any other permit required activity as described in these regulations must obtain permit from the DNR prior to engage in said activity. Each person is bound to the restrictions and limitations of the permit issued.

5. *Permits Retained.* Each individual issued a permit pursuant to these regulations are required to retain a hard copy of the permit(s) on their person at all times while participating in hunting, fishing, or other activities within the Osage Nation Reservation. The Osage Nation does not provide electronic permits, and therefore, electronic versions including but not limited to pictures of any permit shall not be accepted by law enforcement.

6. *Permit Violations.* Any person who violates this section shall be subject to a civil or criminal penalty as defined by offenses and fine schedule of the Osage Nation Wildlife Conservation Act.

C. FIELD TAGGING & CHECKING REQUIREMENTS

1. *Field Tags.* Field Tags may be any item so long as the tag contains the information required below.

2. *Immediate Tagging.* All hunters who harvest Big Game wildlife on property of the Osage Nation must immediately attach their name, license number, date, and time of harvest to the carcass. The Field Tag shall remain attached to the carcass until checked-in as described below.

3. *Check-In.* All Big Game wildlife harvested on property of the Osage Nation must be checked-in with the staff of either the Department of Natural Resources, Osage Nation Police Department, or the Wildland Fire Department within twenty-four (24) hours of leaving the area in which the wildlife was harvested. The type of check-in will be determined by the permit issued.

4. *Failure to Tag or Check In.* Any person who violates this section shall be subject to a civil or criminal penalty as defined by offenses and fine schedule of the Osage Nation Wildlife Offenses Code.

SECTION 6.

APPLICATIONS REVIEWS, DENIALS, RECONSIDERATION AND APPEALS

A. REVIEW AND DECISION

1. *Application Review.* Within thirty (30) days of receipt of an Application as prescribed by these regulations, DNR shall review each Application and approve or deny the Application after a determination of whether:

- a. The Application is complete or if more information is required;
- b. If Applicant has a valid state issued driver's license;
- c. If Applicant has a valid hunting and fishing license (state or lifetime); and
- d. Whether Applicant has ever violated a hunting or fishing law or regulation or been convicted of a crime involving wildlife.

2. *Approval or Denial of an Application.* After thirty (30) days, DNR shall render a written decision on the Application:

- a. Approving the License without conditions;
- b. Approving the License with conditions;
- c. Denying the License; or
- d. Staying a decision pending receipt of additional data or information or correction of Application errors.

4. *Denial of Permit or License.* DNR shall issue a reasoned decision if the Application is denied under Section (B)(2)(c) of these Regulations.

5. *Staying a Decision Pending Receipt of Additional Information.* Should DNR stay a decision on an Application pending receipt of additional data or information or correction of Application errors under Section A(2)(d) hereof, DNR shall issue a Notice of Additional Information or Deficiency. If the Application is defective as to form, the Notice of Additional Information or Deficiency shall advise the Applicant of the corrections, amendments, or changes required and thirty (30) days shall be allowed for the refiling thereof.

6. *Failure to Provide Additional Information.* If the Application is not corrected, amended or changed within the time required, DNR may inactivate the Application. If an Applicant does not correct an Application as instructed by DNR, and no further proceedings are initiated by the Applicant for six (6) months after the Notice of Additional Information or Deficiency, the Application shall be deemed withdrawn.

7. *Issuance of License.* If the Application is approved, DNR shall issue the License the subject of an Application within ten (10) days of approval.

8. *Term of Licenses.* All Licenses shall be valid from January 1st to December 31st (unless otherwise noted).

9. *Renewal Licenses.* Licenses may be renewed for the following year of the initial License upon request and payment of the applicable fee, unless DNR shall determine in its sole and reasonable discretion that the License renewal is not in the best interest of the Nation. Any denial of a renewal License may be reconsidered and appealed pursuant to subsections B and C below.

B. RECONSIDERATION

10. *Request for Reconsideration.* An Applicant may seek reconsideration of any DNR decision by resubmitting the Application to DNR with a letter stating the reasons for reconsideration and any additional information.

11. *Decision Upon Reconsideration.* DNR shall issue a written decision upon reconsideration of an Application within sixty (60) days, following the same process established in Section 6(A)(2) of these Regulations.

C. APPEAL

12. *Appeal of Denial Upon Reconsideration.* If the Application is denied upon reconsideration, the Applicant may seek review of the denial in Osage Nation Trial Court pursuant to Osage Nation Rules of Civil Procedure.

13. *Representation of the Nation's Interest.* The Osage Nation Attorney General's Office shall represent the Nation's and DNR's interests in any appeal.

14. *Exhaustion.* No person may seek review by the Osage Nation Trial Court of a decision or ruling of DNR unless such person has first exhausted all appeal rights provided by these Regulations. Additionally, with respect to any appeal of a denial of an Application by DNR, no such appeal may be heard by or filed with the Osage Nation Trial Court unless the person the subject of the denial shall have first sought reconsideration of the denial with the DNR.

15. *Standard Review.* Unless otherwise provided for under the laws of the Osage Nation, appeals shall be limited to review of the record before the DNR.

16. *Administrative Record.* Upon receipt of service of the complaint, DNR shall certify and transmit to the Clerk of the Osage Nation Trial Court the administrative record, including the

Application, all documents, things, transcripts and other information which formed the basis for the decision or ruling being appealed.

SECTION 7.
