We want to hear from you!*

Chief Standing Bear and the Health Authority Board are hosting a community meeting to invite your input on health care services.

The Osage Nation has been examining how to improve health services through self-governance authority. Tribal Self-Governance will provide our Nation with the power to manage and restructure our health programs and fully address the healthcare needs of Osage citizens.

This meeting is an opportunity to discuss the future of health care on the Osage Reservation.

*Supported by the Osage Congressional
Health & Social Services Committee*

*Attendees will be entered into a drawing
for giveaway items!*
