## Purpose and Scope of this Meeting

For years, oil tycoons and businessmen such as John Paul Getty and John D. Rockefeller said, "Meet me at the Mayo"; now the **Fourteenth Annual Osage Oil & Gas Summit** can say the same! Please "meet us" for a very special Osage Oil & Gas Summit at the beautiful and historic Mayo Hotel in downtown Tulsa on **November 4-5, 2015**.

### PAST, PRESENT AND MOVING FORWARD: REVENUE CHALLENGES IN TOUGH ECONOMIC AND REGULATORY TIMES

At the **Fourteenth Annual Osage Oil & Gas Summit** attendees will experience Osage heritage and culture and have the opportunity to listen to numerous experts discussing various topics of importance to hydrocarbon production in the Osage Mineral Estate. Numerous technical, process and regulatory topics will be discussed and producers, field personnel, shareholders, regulators and land owners will all find topics of interest and value to each of the stakeholder groups.

Please join us at the **Mayo Hotel** in downtown Tulsa on November 4<sup>th</sup> - 5<sup>th</sup>, 2015.
